Vista Unified School District Human Resources:

It is my pleasure to recommend Robert (Bobby) Cross for a teaching position. I have had the pleasure of working with Bobby for over 15 years as a volunteer and parent of a student in my program. I have also been associated with Bobby as a soccer coach for youth competitive programs.

Bobby has an excellent rapport with adults and students alike. He is able to connect with students and truly enjoys working with kids. He is trained in interpersonal strengths development and uses this theory in understanding all types of personalities. This allows him quickly evaluate a good of individuals and develop strategies to insure that there is a successful outcome from all situations.

Bobby has excellent written and verbal communication skills. He is extremely organized, reliable and hard working. He is experienced in technology of all kinds. Bobby can work independently with no supervision required. No matter how big or small the task, Bobby will complete the assigned responsibility to the highest standards.

Bobby has the traits that are needed in a teacher. His work ethic, skills and positive attitude are what make a person a great teacher. I highly recommend Robert Cross for any teaching position. Please feel free to contact me with any questions.

Sincerely:

Mark Scott
